

TERMS AND CONDITIONS

The department of hair and beauty appreciates the assistance that models give to the students and every effort is made to simulate normal salon conditions. However, during the salon session the students are at all times in a learning situation and it is for this reason that the following rules must be strictly adhered to:

1. The students will take instruction only from the lecturer in charge.
2. The lecturer in charge will allocate models to students and therefore clients are not able to request specific students.
3. Children under the age of 16 years are not allowed in the salon.
4. Attendance must be prompt and for the duration of the lesson if necessary – a charge may be made if the client does not attend.
5. All colours must have a skin test at least 48 hrs prior to service and within one week of appointment.
6. Models should appreciate that services provided depend upon the availability and level of students' ability.
7. Models may be required to comply with the lesson schedule e.g. permanent wave winding, finger waving or pin curling, before the service booked.
8. It is important that models do not touch their hair or the student's equipment at any time whilst in the salon.
9. It is important that clients do not guide students as it may cause confusion.
10. The college has no responsibility for the loss of personal belongings whilst models are on the premises.
11. Appointments may be made by telephoning reception on 01484 437024 (Kirklees College, Huddersfield Centre).
12. Models should inform reception if they are unable to keep an appointment.
13. Models are not allowed to bring their own products e.g. shampoo, setting aids, beauty products into the salon, due to Health and safety regulations.
14. Food must not be consumed in the salons.
15. All mobile phones must be either switched off or on silent.

TRAINING SALON IPL & LASER TREATMENTS

PRICE LIST

PERFORMED BY
SUPERVISED STUDENTS
IN TRAINING

IPL HAIR REDUCTION

Our Intense Pulsed Light (IPL) hair reduction treatments offer a long-term solution to unwanted hair, leaving skin smoother for longer. IPL works by delivering gentle pulses of light energy to the hair follicle, helping to reduce future growth safely and effectively. Treatments are carried out by trained students under the supervision of experienced tutors, using high-quality professional equipment. Each session is tailored to your skin and hair type to ensure comfort and effectiveness. A consultation and patch test are required at least 48 hours before your first treatment. For best results, a course of 6–8 treatments are recommended, with top-up sessions as needed.

AREA TREATED	TREATMENT TIME	PRICE
Upper Lip or Chin	10–15 mins	£10
Underarms	15–20 mins	£12
Standard Bikini Line	20–25 mins	£15
Half Leg	30–40 mins	£20
Full Leg	45–60 mins	£30
Back or Chest	45–60 mins	£28
Full Face	30 mins 90–	£18
Full Body (selected areas)	120mins	£55

IPL SKIN REJUVENATION

Our IPL Skin Rejuvenation treatments use gentle pulses of light to target pigmentation, redness, and uneven skin tone - revealing a fresher, brighter, and more youthful complexion. The light energy stimulates collagen production, helping to improve skin texture and elasticity over time. Treatments are performed by skincare students under the supervision of qualified tutors, using advanced professional IPL technology. Each session is personalised to your skin type and concerns, ensuring a safe and effective experience. A consultation and patch test are required at least 48 hours before your first treatment. For optimal results, a course of 4–6 treatments are recommended.

AREA TREATED	TREATMENT TIME	STUDENT PRICE
Small Area (Cheeks / Nose / Chin)	15–20 mins	£10
Half Face	20–25 mins	£12
Full Face	30–40 mins	£15
Face & Neck Face,	45–50 mins	£18
Neck & Décolleté	60 mins	£22
Hands	10–15 mins	£8
Shoulders / Upper Chest	20–30 mins	£12
Full Upper Body (Face, Neck, Décolleté, Hands)	75–90 mins	£30

Please Note:

All treatments are carried out by trained students under tutor supervision. A consultation and patch test must be completed at least 48 hours prior to treatment (£5 redeemable against first session). A full course of treatments (6–8 sessions) is recommended for best results.

LASER HAIR REDUCTION

Laser Hair Reduction is a safe, non-invasive treatment that uses advanced light technology to reduce unwanted hair growth. The laser targets the pigment (melanin) in the hair, gently heating the follicle to slow regrowth while leaving the surrounding skin unharmed.

With a course of treatments, hair grows back finer, lighter, and significantly reduced, leaving the skin feeling smoother and more polished long term.

A patch test and consultation are required at least 48 hours before your first treatment. For best results, a course of treatments is recommended.

AREA TREATED	TREATMENT TIME	STUDENT PRICE
Upper Lip or Chin	10–15 mins	£15
Underarms	15–20 mins	£18
Standard Bikini Line	20–25 mins	£20
Half Leg	30–40 mins	£28
Full Leg	45–60 mins	£40
Back or Chest	45–60 mins	£38
Full Face	30 mins	£18
Full Body (selected areas)	90–120mins	£55

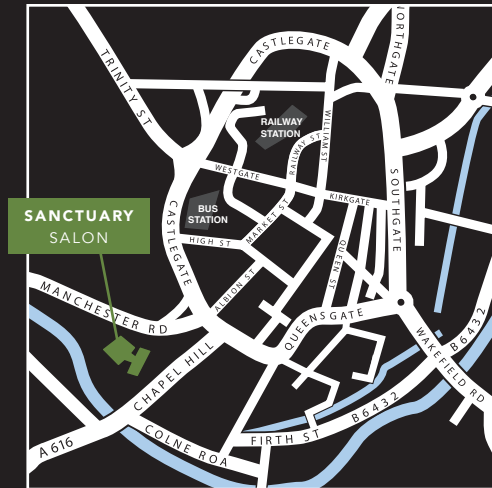

Course offer - Buy a course of 3 laser treatments and get a 4th treatment free.

CHEMICAL SKIN PEELS

Resurfacing peel Glycolic acid £35

With botanicals aloe vera and liquorice this resurfacing peel increases epidermal hydration and reinforces the natural barrier function of the skin while reducing redness and inflammation. Glycolic acid is an AHA acid effective at reducing fine lines and wrinkles, regulating and reactivating the cell synthesis process, it evens skin tone and reduces the appearance of hyperpigmentation.

Rejuvenating peel Lactic acid £35

Lactic acid soothes and reduces redness, stimulates exfoliation, cell renewal and cell turnover. Lactic acid has a high moisturising effect by attaching water to skin cells. This rejuvenating peel helps to reduce the appearance of ageing and evens skin tone. It brightens and rejuvenates dull skin, minimises the appearance of fine lines and wrinkles stimulating the production of new collagen.

Acne peel Salicylic acid £35

Witch hazel, aloe vera and salicylic acid control sebaceous secretion, reduce pore size, even out skin tone and helps treat acne scarring. Indicated for all skin types in particular dry, acne prone oily skin. Acne peel is exfoliating and oil regulating with anti-microbial and anti-inflammatory benefits. Great for treating acne scarring.

*Patch testing needed for the Chemical skin peels

MICRO NEEDLING

£35

Micro needling is also known as collagen induction therapy and has been widely used in aesthetic medicine for a number of years. The microneedles penetrate into the deeper layers of skin, resulting in stimulation of its natural healing process. Extra collagen is produced, causing the skin to look brighter, smoother and more youthful. The treatment should involve no pain and has a fast recovery.

DERMAPLANING

£20

Dermaplaning is a pain free method of exfoliation. This treatment involves a sterile scalpel that glides over the skin to exfoliate the top layer removing dirt, oil, dead skin cells and vellus (Peach fuzz). This will leave skin feeling super smooth and aid the penetration of topical active serums.
