Work Experience is embedded in every student's timetable at Kirklees College as part of the Personal Development Pledge. If you are on a study programme, you will have work experience built into your Skills For sessions, where you will discuss career progression, apprenticeships, higher education opportunities and take part in workshops for CV building and interview techniques.

You will also have visits from industry-related speakers about jobs in your sector of study, and will take part in either a work placement or Preparation to Work Passport as part of your programme.

Career Progression

We support our students to prepare for their future careers, through interview and CV skills workshops, embedding professional conduct into the curriculum and work placement opportunities.
