

Welcome

to our KC Community

Hello from your Head of Department!

Hi, my name is Paul and I am the Head of Construction and oversee Construction Multi Skills at Kirklees College. As the Head of Construction, my role is to ensure that you have the support and resources you need to excel in your studies and beyond. Our dedicated team is here to guide you every step of the way. I look forward to meeting you in September!

Construction - Multi Skills

Where will you be studying?

Key Information and Opportunities

This course is perfect if you want to pursue a career in construction but have not yet decided which trade you want to specialise in.

You will have the opportunity to try your hand at all the main trade areas, including plastering, joinery, painting and decorating, and brickwork.

Our tutors are experts in their fields and bring years of industry experience to share, so you will learn from the best while having access to all the equipment and tools you need.

We are also proud to offer state-of-the-art learning facilities and workshops, providing unique practical experiences in an excellent learning environment.

You will be required to purchase a pair of steel-toe cap safety boots, which typically cost between £15 and £20 and can be bought from any construction retailer.

Student life

Making the most of your student life is as important to your experience as the course you study. We are a collaborative, inclusive, supportive and fun college offering you the chance to make great memories as you prepare for a successful future.

- Student enrichment gives you opportunities to join clubs, community projects, trips, and other activities that build skills and confidence.
- There are opportunities to join the Sports Academy and combine sport you're your college studies.
- Student Services offers support with finance, careers advice, counselling, mentoring, wellbeing, and SEND.
- Additional help is also available through learning support, student voice, and the Students' Union.

Work Experience

Work Experience is embedded in every student's timetable at Kirklees College as part of the Personal Development Pledge. If you are on a study programme, you will have work experience built into your Skills For sessions, where you will discuss career progression, apprenticeships, higher education opportunities and take part in workshops for CV building and interview techniques.

You will also have visits from industry-related speakers about jobs in your sector of study, and will take part in either a work placement or Preparation to Work Passport as part of your programme.

Career Progression

Construction is one of the most in-demand industries in the UK, with ambitious Government-led targets for the construction of homes and buildings fuelling growth. After this course, you can progress to one of our higher-level, trade specific courses at the college, or an apprenticeship.

Potential career pathways include joiner, plasterer, plumber, electrician and bricklayer.

Start of term

Timetables will be released on **Friday 4 September**. You will receive a text after 12noon to tell you when your timetable is available to view.

Term starts on
Wednesday 9 September 2026

Key enrolment information

The majority of students will enrol online for a September start. Our applications team will contact all applicants to check we have the correct contact information and to confirm what time you will receive your enrolment link.

Enrolment links will be sent out in batches on GCSE Results day (Thursday, 20 August), and this will need to be completed by 12 noon on Friday 21 August.

If you are on holiday or not available on GCSE results day, you will receive information from the applications team about what to do. If your results are different from what was expected, then again, the college's applications team will tell you what to do next.

If you haven't already uploaded a photo for your ID badge, then you will be able to do this when you enrol.
