Key Information and Opportunities

Music is a subject that requires dedication, perseverance, and a whole lot of love. However, if you're looking at this subject area, we assume you have all these already! The music industry is innovative and fast-paced, so obtaining a professional qualification in it is a significant help when it comes to applying for jobs in the sector.

Our courses prepare you for a future in the music industry, whether that's as a performer, a technician or even a manager. Our musical teaching team are industry professionals with a wealth of experience in production, performance and management. They will guide and support you through your learning.

Whatever your preferred pathway, our courses will help you understand the ins and outs of the industry and ultimately help you gain work in this amazing sector.

Student life

Making the most of your student life is as important to your experience as the course you study. We are a collaborative, inclusive, supportive and fun college offering you the chance to make great memories as you prepare for a successful future.

- Student enrichment gives you opportunities to join clubs, community projects, trips, and other activities that build skills and confidence.
- There are opportunities to join the Sports Academy and combine sport you're your college studies.
- Student Services offers support with finance, careers advice, counselling, mentoring, wellbeing, and SEND.
- Additional help is also available through learning support, student voice, and the Students' Union.

Work Experience

Work Experience is embedded in every student's timetable at Kirklees College as part of the Personal Development Pledge. If you are on a study programme, you will have work experience built into your Skills For sessions, where you will discuss career progression, apprenticeships, higher education opportunities and take part in workshops for CV building and interview techniques.

You will also have visits from industry-related speakers about jobs in your sector of study, and will take part in either a work placement or Preparation to Work Passport as part of your programme.

Career Progression

Careers in the Music industry are varied and continue to evolve. You can pursue a range of careers, from traditional paths as a musician, singer or DJ, to behind-the-scenes roles in tour and events management. Our specialist Careers Coaches will offer you guidance and support to pursue these paths, including applying for your next steps, which may be university or an apprenticeship.

Start of term

Timetables will be released on **Friday 4 September**. You will receive a text after 12noon to tell you when your timetable is available to view.

Term starts on
Wednesday 9 September 2026

Key enrolment information

The majority of students will enrol online for a September start. Our applications team will contact all applicants to check we have the correct contact information and to confirm what time you will receive your enrolment link.

Enrolment links will be sent out in batches on GCSE Results day (Thursday, 20 August), and this will need to be completed by 12 noon on Friday 21 August.

If you are on holiday or not available on GCSE results day, you will receive information from the applications team about what to do. If your results are different from what was expected, then again, the college's applications team will tell you what to do next.

If you haven't already uploaded a photo for your ID badge, then you will be able to do this when you enrol.
