

Welcome

to our KC Community

Hello from your Head of Department!

Congratulations on securing a place at Kirklees College. My name is Karin and I am the Curriculum Area Manager for Science. At Kirklees College, you will have access to state-of-the-art facilities and laboratories for you to progress in your Science studies and prepare you for your next steps in your career. We look forward to meeting you in September and supporting your success.

Key Information and Opportunities

Today's society benefits from so many scientific innovations, including medicines and treatment, technologies, food and the environment. The demand for discovery is constant as we work globally to create a sustainable world with a planet and population that is fit for the future.

Here at Kirklees College, we aim to provide you with the best experience possible. We have a wide range of study programmes available and our dedicated team are here to help you choose the right course for you. Our courses can open pathways to direct employment or help prepare you for a science degree at university.

If you want to be part of this dynamic world, then start your career with a Science course at Kirklees College. With access to our excellent laboratories at Huddersfield Centre, you will learn through practical and theory-based lessons, supported by a passionate teaching team that will help you achieve and progress to the next exciting step of your career.

Student life

Making the most of your student life is as important to your experience as the course you study. We are a collaborative, inclusive, supportive and fun college offering you the chance to make great memories as you prepare for a successful future.

- Student enrichment gives you opportunities to join clubs, community projects, trips, and other activities that build skills and confidence.
- There are opportunities to join the Sports Academy and combine sport you're your college studies.
- Student Services offers support with finance, careers advice, counselling, mentoring, wellbeing, and SEND.
- Additional help is also available through learning support, student voice, and the Students' Union.

Work Experience

Work Experience is embedded in every student's timetable at Kirklees College as part of the Personal Development Pledge. If you are on a study programme, you will have work experience built into your Skills For sessions, where you will discuss career progression, apprenticeships, higher education opportunities and take part in workshops for CV building and interview techniques.

You will also have visits from industry-related speakers about jobs in your sector of study, and will take part in either a work placement or Preparation to Work Passport as part of your programme.

Career Progression

Studying a Science course will open doors to you in a range of roles and sectors, including healthcare, pharmacy, chemistry, biomedicine and much more. We support our students to prepare for their future careers, through interview and CV skills workshops, embedding professional conduct into the curriculum and work placement opportunities.

Start of term

Timetables will be released on **Friday 4 September**. You will receive a text after 12noon to tell you when your timetable is available to view.

Term starts on
Wednesday 9 September 2026

Key enrolment information

The majority of students will enrol online for a September start. Our applications team will contact all applicants to check we have the correct contact information and to confirm what time you will receive your enrolment link.

Enrolment links will be sent out in batches on GCSE Results day (Thursday, 20 August), and this will need to be completed by 12 noon on Friday 21 August.

If you are on holiday or not available on GCSE results day, you will receive information from the applications team about what to do. If your results are different from what was expected, then again, the college's applications team will tell you what to do next.

If you haven't already uploaded a photo for your ID badge, then you will be able to do this when you enrol.
