to our KC Community

Hello from your Head of Department!

Hi, my name is Helen and I am the Head of Department for Travel and Tourism. On your course, you will be learning with the aid of our mock air cabin and guidance from our tutors, who all have experience of working in the Travel and Tourism industry. Travel and Tourism is an exciting, innovative industry with a wide variety of careers available to you once you complete your studies. We look forward to meeting you in September!

Key Information and Opportunities

The Travel and Tourism industry is fast-paced, innovative and always growing. In recent years, it has displayed its resilience and innovation on many occasions as it responds to unprecedented economic and environmental challenges.

If you want to be part of this influential sector at a critical time in its history, then starting your career with a Travel and Tourism course is a great place to start.

The sector offers a wide variety of roles and career options. If you've got your sights set on a cabin crew or aviation role, learning in our mock air cabin at Huddersfield Centre will equip you with the practical skills to start your career. Whatever your ambitions, our Travel and Tourism team is here to guide you through your study journey.

Level 2 Diploma Cabin Crew students will need to purchase a black skirt or trousers, a black blazer, a white shirt, and black shoes as part of their uniform.

Students enrolled on this course will also need to purchase a scarf, a tie, and a badge. If this applies to you, please await further details, which will be sent from the teaching team at the start of the term.

Student life

Making the most of your student life is as important to your experience as the course you study. We are a collaborative, inclusive, supportive and fun college offering you the chance to make great memories as you prepare for a successful future.

- Student enrichment gives you opportunities to join clubs, community projects, trips, and other activities that build skills and confidence.
- There are opportunities to join the Sports Academy and combine sport you're your college studies.
- Student Services offers support with finance, careers advice, counselling, mentoring, wellbeing, and SEND.
- Additional help is also available through learning support, student voice, and the Students' Union.

Work Experience

Work Experience is embedded in every student's timetable at Kirklees College as part of the Personal Development Pledge. If you are on a study programme, you will have work experience built into your Skills For sessions, where you will discuss career progression, apprenticeships, higher education opportunities and take part in workshops for CV building and interview techniques.

You will also have visits from industry-related speakers about jobs in your sector of study, and will take part in either a work placement or Preparation to Work Passport as part of your programme.

Career Progression

Careers in Travel and Tourism are varied and there are more roles available in the sector than ever. Potential career paths include: cabin crew, pilot, travel agent, air traffic controller, tour guide and more. We support our students to prepare for their future careers through interview and CV skills workshops, embedding professional conduct into the curriculum and work placement opportunities.

Start of term

Timetables will be released on **Friday 4 September**. You will receive a text after 12noon to tell you when your timetable is available to view.

Term starts on
Wednesday 9 September 2026

Key enrolment information

The majority of students will enrol online for a September start. Our applications team will contact all applicants to check we have the correct contact information and to confirm what time you will receive your enrolment link.

Enrolment links will be sent out in batches on GCSE Results day (Thursday, 20 August), and this will need to be completed by 12 noon on Friday 21 August.

If you are on holiday or not available on GCSE results day, you will receive information from the applications team about what to do. If your results are different from what was expected, then again, the college's applications team will tell you what to do next.

If you haven't already uploaded a photo for your ID badge, then you will be able to do this when you enrol.
